

Business Analysis

Business Analysis is the set of tasks, knowledge and techniques required to identify business needs and determine solutions to business problems...

We act as a change agent within your organization to facilitate understanding of your operations and recommend solutions that enable your organization achieve strategic goals. As guided by the International Institute of Business Analysis (IIBA), our business analysis service includes:

- Business Analysis Planning and Monitoring
- Enterprise Analysis
- Elicitation
- Requirements Analysis
- Solution Assessment and Validation
- Requirements Management and Communication

Features

- Proven approaches leveraging the IIBA's Business Analysis Body of Knowledge
- Involvement of the right people at the right time to establish focus and confidence
- Building long-lasting, mutually beneficial relationships among your stakeholders

Benefits

- Clarity of your needs and wants and their relative priority
- A sound foundation for success and measurement for your projects
- Attainment of the benefits targeted in your project charter

You can expect to experience each of the following when you involve Beacon for Change:

- **Advice you can count on**
We only engage highly qualified consultants for the job. Our approach is honesty first, even when it's a hard message to deliver.
- **Results you can bank on**
By ensuring that the right people, processes, and tools are in place, you are assured of a higher return on your investment.
- **A friend you can lean on**
We are committed to your success, regardless of the challenges you may face in defining and achieving your goals.
