

BEACON FOR CHANGE

Lighting your path to success

Careers

Are you considering a career shift or a job change? Are flexible work hours important to your lifestyle or work/life balance? Are fair compensation, great benefits, incentive bonuses, and ample vacation time what you've been thinking about? Does minimal travel and the opportunity to work at client sites and at home interest you? Could working with an energetic team-oriented company reinvigorate your work life?

Our Needs

We are seeking senior consultants, coaches and trainers to join our team. We are a growing company that values the input of our people and having fun while serving the needs of our clients. We offer full-time and part-time employment as well as contract positions, depending on your expertise and market conditions. We value sound character, diverse leadership and management experience, education, and relevant professional certifications.

We need more people to fill internal management roles as well as consulting roles, such as:

- Management Consultant
- Project Manager
- Business Analyst

Your Opportunities

If you have proven leadership and management skills accompanied by consulting, coaching and/or training experience, contact us to explore potential opportunities that may be of mutual fit, such as:

- Full-time employment
- Part-time employment
- Independent associate relationship
- Other innovative arrangements?

You can expect to experience each of the following when you involve Beacon for Change:

- **Advice you can count on**
We only engage highly qualified consultants for the job. Our approach is honesty first, even when it's a hard message to deliver.
- **Results you can bank on**
By ensuring that the right people, processes, and tools are in place, you are assured of a higher return on your investment.
- **A friend you can lean on**
We are committed to your success, regardless of the challenges you may face in defining and achieving your goals.
